Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	3.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	7.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Length of Program	30 mins	
Age of Target Child Audience	3 years to 7 years	

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Inspired by the works of Richard Scarry, this program brings the popular adventures of Busytown to preschoolers with an educational, problem-solving twist. Children can follow Huckle, Sally and Lowly as they scour Busytown on fun-filled adventures looking for answers to life's puzzles. Each episode focuses on fostering viewers' problem solving abilities, as the characters use their skills of observation to collect facts, draw inferences from those facts and ultimately reach conclusions. Also, the program helps develops vocabulary through words and concepts that are part of each episode's overall theme. This program airs on the station's main digital channel.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Four teens from very different backgrounds all taking riding lessons at a very unusual riding stable where the animals all speak to each other. The teens deal with accepting responsibility, developing self-confidence, self-esteem and caring for their mounts. They also are confronted with problems that test their honesty, integrity and sometimes even their friendship. As they work to find solutions, the animals make comments on what the teens should or should not do or how they are handling the particular situation, giving the viewer a new insight to dealing with the issue. Through the four characters and the dialogue of the animals the viewers are shown clear prosocial educational messages. This program airs on the station's main digital channel.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Elizabeth Stanton's Great Big World provides dynamic core programming in the areas of particular concern to young teens; including global, social, educational, and wellness issues. Award-winning teen hostess Elizabeth Stanton and select celebrity friends travel around the world volunteering in areas of specific need- ranging from feeding the hungry in the slums of Kenya to bringing hearing aids to Vietnamese neighborhoods whose citizens have experienced high rates of profound deafness and hearing loss. Great Big World offers a dynamic television experience for teens-combining the exciting, fun and diverse experiences of world exploration with lifer changing volunteer opportunities available in these same areas. Various age-appropriate global issues are introduced to the viewing audience though in-depth and thoughtful interviews with Elizabeth, her travel buddies and the friends they meet along their journey. In addition, Elizabeth and friends' personal hands on experiences in the field of both inspire teens to engage in selfless, helping behaviors in addition to educating them on where and how to find volunteer opportunities. This program airs on the station's main digital channel.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This animated series is based on the books by Richard Scarry. The fictional city Busytown is an enchanting place that's abuzz with energy and life. Episodes are divided into multiple segments with different themes. The first and last segments involve the children in Busytown exploring their community. At the end of each segment the children have learned a little about their community and the world they live in. The middle segment shows children life in other cities featuring daily activities of adult characters in places such as Paris or Rome. Each episode includes two song segments in which the first, "Imagine That", teaches various things like general science to how banks work. The second song segment that teaches safety is called "Play it Safe". The aim of the series is to stimulate imagination and foster vicarious play, teach pro-social behavior (such as generosity, friendliness, persistence, altruism, understanding of others' points of view, empathy, acceptance of others' idiosyncrasies), help children move beyond family attachments to the world of friendships and community, help children develop skills on which academic learning depends such as attention, language, memory, active processing of a story and an interest in reading.This program airs on the station's secondary digital channel.

Length of Program	30 mins
Age of Target Child Audience	2 years to 6 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This series follows five teenagers who are accidentally morphed into dinosaurs, which brings them together to find a way to stop the efforts of a mad scientist who is plotting to return the world to its prehistoric state. Each episode portrays these teens facing and finding solutions to problems that are relevant to contemporary viewers. Along the way, they struggle with interpersonal issues such how and why to work with people they do not really understand, the meaning and value of honesty, teamwork, perseverance, self-confidence, sharing credit, using each person's strengths while ignoring weaknesses, and getting along in difficult situations. They learn that positive behavior results in positive consequences. This series combines the fascination of dinosaurs with familiar issues that children have to face each day. This program airs on the station's secondary digital channel.

This series follows five teenagers who are accidentally morphed into dinosaurs, which brings them together to find a way to stop the efforts of a mad scientist who is plotting to return the world to its prehistoric state. Each episode portrays these teens facing and finding solutions to problems that are relevant to contemporary viewers. Along the way, they struggle with interpersonal issues such how and why to work with people they do not really understand, the meaning and value of honesty, teamwork, perseverance, self-confidence, sharing credit, using each person's strengths while ignoring weaknesses, and getting along in difficult situations. They learn that positive behavior results in positive consequences. This series combines the fascination of dinosaurs with familiar issues that children have to face each day.This program airs on the station's secondary digital channel.

Other Matters (9 of 10)	Response
Program Title	DOODLEBOPS
Origination	Network
Days/Times Program Regularly Scheduled	Sunday 10:00 am, 10:30 am
Total times aired at regularly scheduled time	26
Length of Program	30 mins
Age of Target Child Audience from	2 years to 6 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Each episode of the show features a child, who writes for help or advice with a problem to the Doodles, three animated young members of a band. The child then enters the animated world of the Doodlenet, and sets out on an adventure with the band to find a resolution to the problem. Important life lessons are imparted in the process, and the lessons learned are reinforced through a musical interlude. This program focuses on encouraging viewers to develop positive personal qualities such as honesty and initiative and also providing viewers with a basic understanding and appreciation of music. This program airs on the station's main digital channel.
